June 20: International Yoga Day

International Yoga Day: Celebrating Health and Harmony

International Yoga Day reminds us of the importance of a healthy mind & body for a balanced life.

Yoga is not just an exercise; it is a journey towards inner peace, discipline, & well-being. At our school, we encourage our students to embrace yoga as a part of their daily routine to improve concentration, develop emotional stability, & strengthen their physical health.

as we celebrate this day, let us pledge to incorporate yoga into our lives, spreading the message of health, harmony, & mindfulness.

May yoga guides us to a life filled with peace, positivity, & purpose.
